Waste Water Connection Cassette for C2, C3 and C4

Information

Pack size	30x21 x20 cm
Net weight	1.1 kg
Gross weight	1.3 kg
Catalogue page	482

Optimise your everyday camping life with the high-quality waste water connection cassette for the camping toilets C2, C3 and C4. With this innovative connection, you can connect your toilet directly to the campsite's public sewage system. It can also be connected at other suitable points. This saves you the hassle of emptying the waste tank. The connection is standard HT DN 110 and fits ø 110 mm. No siphon required. Ideal for anyone who values convenience and hygiene when travelling. Connection 3" for tank operation. HT-100 connection. Accessories: flexible connection hose HT 100 (Please order separately!).

Specifications
