The ideal opportunity to create an additional access point for different parts of your caravan or motorhome. Door for gas cylinders and water tanks. The service door is produced using high-quality, light materials, which gives it an extremely long service life.

Advantages & features

- Modern, sleek appearance
- Waterproof and UV-resistant
- Double sealing and optimal insulation
- Special snap locks allow the door to be closed securely, so that it cannot burst open unexpectedly.
- Simple self-assembly: Thetford service doors are easy to install vertically and horizontally
- Detailed step-by-step instructions with a template for the cut-out in the vehicle wall are included in the scope of delivery.
