Compact, practical and safe

A flexible companion for on the go. This foldable kettle saves space while still delivering full performance. Thanks to its thoughtful design, the model can be easily folded and stored – perfect for travelling, camping or small kitchens.

The intuitive operation ensures that the kettle is quick and easy use, while the integrated dry boil protection and over-heating protection provide maximum safety. Be it for tea, coffee or instant meals – this kettle heats water reliably and efficiently. Perfect for anyone who values functionality and compact solutions.
