

Item no. 310/131
Manufacturer's no. 0708068N

Gas Stove Devil Powerkook 50, 50 mbar

Information

Dimensions	53.5x9.5x31 cm
Pack size	65x31x9.5 cm
Net weight	5.3 kg
Gross weight	7.5 kg

The Devil Powerkook stove is the perfect companion for your outdoor adventures, be it camping or caravanning. The gas-powered device features a high-quality stainless steel cooking surface equipped with two powerful burners, each with 2.4 kW. Thanks to its versatility, the Powerkook offers countless culinary possibilities for cooking.

The stove's design focuses on maximum safety and easy transport. The lid has two locks and a front handle, making it practical and secure to carry.

The piezoelectric ignition guarantees an immediate and effortless light-up. To simplify cleaning, the sturdy pan supports are easily removable, keeping the cooking surface in optimal condition.

Features:

- Automatic, safe and intuitive piezo ignition
- Quick coupling for gas cylinders, ensuring a secure connection to the gas cylinder
- Incl. hose and regulator
- Lid acts as a windshield for increased safety when used outdoors
- Two removable side windshields with magnetic attachment
- Various heating levels for optimal temperature control
