

Item no. 323/705

Manufacturer's no. 9620008249

All-In-One Solar System Solenergy, 175 Wp

NDS | DOMETIC

Information

Dimensions	1475 x 676 x 60 mm
Pack size	164.5 x 69.5 x 7 cm
Net weight	15.56 kg
Gross weight	16.33 kg
Catalogue page	600

The Dometic NDS SOLENERGY solar panels combine modern construction techniques in the field of solar technology with a complete setup and easy installation. The integrated mounting bracket in the solar panel ensures excellent stability and robustness. It allows the solar panel to be kept at the correct distance from the chassis, facilitating ventilation. Each panel consists of high-purity monocrystalline silicon cells, protected by a Tedlar film and textured, tempered glass. This is characterised by high transparency, low iron content and an anti-reflective coating.

Features of the complete solar systems:

Dometic MPPT solar controller SC320 with N-Bus, roof spoiler kit installed, roof cable routing, cable set installed (6 m)

Specifications

Cable length	6 m
Short circuit current	9.58 A
No-load voltage	23.67 V
Number of panels	1
Nominal power solar panel(s)	175 Wp
Nominal voltage	12 V
Daily output	700 Wh
Type	PSM 175 WP
