 Manufacturer's no. 50212-03

Remote Display DuoC without Control Panel

Information

Pack size	16.9 x 15.1 x 2.8 cm
Net weight	70 g
Gross weight	80 g

The DuoC remote display shows the current operating status (normal or reserve operation) in addition to the display in the cylinder cabinet also inside the vehicle. Furthermore, the EisEx controller heating is integrated, which prevents icing of the switching system in winter.
