THETFORD

Information

Pack size 15.2x7x3.1 cm

Net weight 40 g

Gross weight 49 g

- Original Thetford spare part
- Suitable for service doors 3 – 7
- Zadi locking cylinder with 2 keys

The original Thetford lock cylinder 26604 is the suitable replacement part for service doors 3 to 7. The lock is based on the proven Zadi locking system and is ideal for replacing a defective or worn lock cylinder. This reliably restores the secure locking of the service door. The lock cylinder is supplied with two keys.
