The classic for a secure hold

The tent peg Tirol impresses with its robust construction and reliable ground grip. With its profiled shaft, it can be easily driven in and stays securely in the ground even in wind and weather. Ideal for softer to medium-firm ground – the perfect companion for camping, festivals or use in the garden.

Features:

- Made of zinc-coated steel – rust-resistant and durable
- Profiled shaft for better grip in the ground
- With hook for easy attachment of guy ropes
- Easy to use and versatile
