Innovative outdoor shower with large pressure container made of waterproof nylon fabric. A compact foot pump produces the necessary pressure to shower comfortably anywhere at any time. The 15-litre, very easy-to-fill container made of black textile fabric has to be placed upright on the ground, where it heats up in the sunshine to provide pleasantly warm water. Thanks to its versatility, the outdoor shower Splash is also ideal for washing dishes and cleaning sports equipment. When not in use, it can be stored and transported compactly in any pocket or backpack.
