The MagUp-Pad set in black makes existing tableware magnetic. The cut-to-size pad is suitable for tableware with a base dimension of 4 – 10 cm (M) or 6 – 14 cm (L). It is glued under plates, bowls or dishes, attached without tools or drilling, and can be removed without residue. The adhesive strength can be restored by rinsing with clear water and then drying.

The MagUp-Pad is free from plasticisers, BPA, phthalates and PVC, does not rust even with long-term moisture and is made in Germany.

- Cut-to-size for tableware with a base dimension of 4 – 10 cm (M) or 6 – 14 cm (L)
- Tool-free installation without drilling
- Reusable by rinsing with clear water and drying
