Gross weight	740 g
Catalogue page	658

The Minuwatt toaster is the ideal choice for anyone who wants to enjoy crispy toast on holiday. Thanks to its low power consumption of only 780 to 930 W, it is perfect for use at campsites with a limited power supply.

Despite its low energy use, the toaster delivers reliable performance and even browning. The sturdy casing and simple operation ensure comfortable use in everyday life or while travelling.

With 230 V/50 Hz, the Minuwatt toaster is optimally designed for common power outlets – compact, economical and functional.
