Protect your valuables.

Your belongings are very safe behind solid steel walls. Only the double-bit safety key opens the sturdy round bolts of the safe door. Independent of electricity and battery, the safe stays in the caravan, firmly anchored by a mounting plate on the vehicle floor.

Scope of delivery

1 safe (14 l), primed and painted, with an intermediate shelf, 2 double-bit safety keys, 4 fastening bolts, nuts and cover caps with sealing lip, 1 mounting plate (also serves as drilling stencil), instructions.
