The Camping Kitchen 2 Multi Cook is a compact and versatile cooking and grilling companion. The 3-burner camping stove with removable grill grate offers the flexibility needed to cook or grill a variety of dishes. A continuous tube burner under the grill grate ensures rapid heating of the entire surface. Optimum heat distribution, easy cleaning thanks to removable pan supports and wind protection, removable grill attachments with non-stick coating. For R904, R907, butane or propane gas cylinder.

- Enamelled pan supports & all-round wind protection for optimum flame protection even in moderate wind
- Only available as cylinder version
- Separate piezo ignition
- Easy closure: stove can be completely closed for storage and transport
- Extra-strong paint on the hob and windbreak – perfect for high temperatures
- Easy to clean: removable pan support and windbreak

### Why not grill too?
