Washing Up Liquid „Weniger ist mehr“ 475 ml

HAKA®

Information

Dimensions	20x7 cm
Pack size	20x7x7 cm
Net weight	499 g
Gross weight	548 g

Just a drop is enough

The washing up liquid „Weniger ist mehr“ (less is more) impresses with strong cleaning power and a skin-friendly formula. Just one drop is enough to effortlessly remove grease and dirt from dishes, glasses and pots. The integrated **grease-dissolving booster**, combined with the **shine formula**, ensures streak-free shine and hygienic cleanliness – accompanied by a fresh lemon scent.

The highly concentrated composition makes the product especially efficient. With only **1 ml per 5 litres of water**, you achieve a clean, residue-free result. At the same time, your skin is protected, as the formula avoids allergy-triggering foam enhancers.

Advantages:

- Powerful against grease – with grease-dissolving booster & shine formula
- Streak-free shine & fresh lemon scent
- Gentle on the skin – without allergy-triggering foam enhancers
- Highly concentrated & residue-free – 1 ml per 5 l of water

Less liquid. More power. This washing up liquid concentrate cleans reliably, protects the skin and provides maximum
